PRINCIPALS PEN

What a great turn out for our annual Whānau BBQ this week. It has been a long time since we have been able to do this due to covid, so it was great to see so many of our **LEGENDS** enjoying the games, the swim and socialising with each other. Next year, we will try and do this much earlier, so that those who have **LEGENDS** already starting sports, are also able to attend. Our next community event is our school triathlon next week, which our **LEGENDS** love to do and very shortly after the Relay for Life. Every team will have set hours they can go to Relay for Life, and this has been '**organised**' by the Relay for Life staff team. Our **legendary** staff are '**organised**' to do the night shifts and '**determined**' to show our support for those who have cancer or who have passed from cancer. Our mufti day today was one way we are also supporting Relay for Life as well as the school disco on 15 March. More info will be also shared on our community Facebook page.

STUDENT CELL PHONES AT SCHOOL

Our procedure is that all cell phones that **LEGENDS** bring, must be handed in to the office at the start of every day and can be collected at the end of the day. Currently we have a very small number of senior **LEGENDS** who bring phones to school, and these are looked after in the office. We are lucky being a primary school, that many are too young for cell phones, so it makes it very easy for us to monitor and look after them. Any questions, please see Whaea Leiana, Whaea Mia or Whaea Kerri.

KOWHAIWHAI PANELS - Room 6 2023 (Ngutu kākā)

We chose this design because the Ngutu kākā on our kowhaiwhai, represents a meeting place and hospitality.

We knew our kowhaiwhai was going to be going outside the hall and want it to be there to greet manuhiri.

The colours

-Red represents the current **LEGENDs** in our akomanga who have created the design

-White represents the future generations of Cloverlea kids

-Black represents the past Cloverlea **LEGENDs** that supported us as we got older

So, over all our panel speaks about the fact that our past **legends** helped us and that we are here to tautoko the future as well!

Build Whanaungatanga with Rūma Wary 8

One of our team building activity this week was in our **LEGEND** Whānau repū (group) and we played a **LEGEND** version of 'Hedbanz' with staff at Cloverlea, our values and equipment we see in our space! So many Determined **LEGENDs** trying to figure out who they have got!

POSITIVE POST:

Congratulations to these **LEGENDs** for being drawn from the positive post box. These **LEGENDs** are recognised for their "Excellent" behaviour when other staff are in the room. Well done, Kayla-Reign, Sulu, Liam, Ali-Jay and Hinekōrangi.

Relay for Life

On the 23-24th March, our Cloverlea Kura will be participating in our second Relay for Life as a community. This event commences at 12 noon on Saturday 23rd March and finishes at 12 noon on Sunday 24th March. We would love our Cloverlea Whānau to be **Kotahitanga (iInclusive)** and come join us at different times throughout the 24 hours. This is voluntary; however, we are looking for all whānau that can come and spare an hour or two while we do this together. It is a whole whānau event, other tamariki that aren't at Cloverlea are welcome.
