PRINCIPALS PEN

This has been an exciting week as we wrap up the terms focus around Puanga. I have been incredibly impressed with the authentic learning experiences for each age group and how our **LEGENDs** were **'determined'** to show their learning - show their learning in the soup evening, show their learning with the hangi and show their learning through the Mānawatia a Matariki Exhibition. We hope you have also enjoyed learning about Puanga through the kōrero that might be happening from school to home.

HUI - A - WHĀNAU

We had an amazing, **legendary** turn out last week and appreciate the time it takes to come out during night time and connect with our kaiako. If you want to know more about your **LEGEND**, the kaiako are available after school and will happily set more time aside for you. We hope the learning activities given, help your **LEGEND** with their learning.

TOMOKANGA FEEDBACK

We have had more than half our whānau respond and have also put the link on our Cloverlea Community Facebook page. There was some great feedback around what story you think should be told and the staff really enjoyed reading all your ideas and acknowledgements of the mahi happening within our community.

Of interest, from the responses to date, the survey showed:

- 74% of our **LEGENDs** have no siblings currently attending Cloverlea
- 38% have had **LEGENDs** attend previously
- 11% of parents attended Cloverlea as a student themselves

Over the next few weeks, we will share some of the feedback through our newsletter so you can see what the picture looks like across our kura.

Ruma 12

In Te Waipuna we enjoyed showing Rae Pakari (Determination) and Manawaroa (rEsilience) to peel, chop and grate the vegetables for the soup to enjoy at our Puanga Celebration. While doing this we enjoyed sharing stories about Puanga and how the 9 whetu (stars) all have different meanings. We also had a korero about what we have learnt throughout the term.

NGĀ KAUPAPA E HAERE AKE NEI

Coming Up
